

Cupples Cup

The Cupples Cup was inaugurated by the National Board in 1970 and represents the spirit of camaraderie among members for which CACEE is known. This award was named in honour of CACEE member, Colleen Cupples, who truly exemplified all of these qualities. The Cupples Cup represents the three underlying ideals necessary to have a successful conference: “Vim, Vigor and Vitality”.

The Cupples Cup is one of the most prestigious awards given out at the conference and the names of the winners that surround this award represent some of the most dedicated and hard-working volunteers that CACEE has seen.

The Cup recognizes a National Conference delegate who goes above and beyond; a delegate who makes an effort to get to know as many people as possible. The Cupples Cup exists to recognize the energy, enthusiasm and high social involvement that one contributes to the National Conference.

Criteria

1. Has the individual made a significant contribution to the National Conference through his/her energy, enthusiasm and high social involvement to the event?
