

Bridging Space & Time: Delivering Career Education at a Distance

Jenny Peach & Kerri Zanatta-Buehler

BRIDGING THE GAP

Objectives

- Share insights and experiences with two of Sheridan College Career Education's on-line programming
- Discuss the motivators behind the development and roll-out of these programs
- Explore the successes and challenges, as well as future plans moving forward
- Share best practices – Q&A

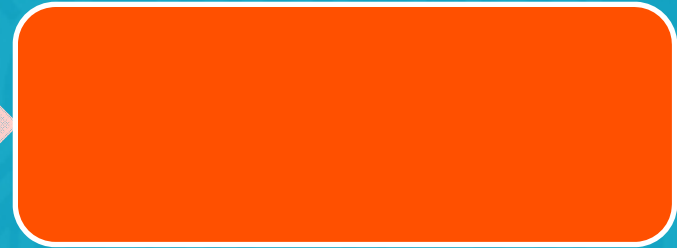

How are you currently using technology to bridge the gap of time & space?

• We **have** online learning modules to support Career Education for all students

• We **do not have** online learning modules to support Career Education for all students

• We **have** online learning modules to support Co-op Education

• We **do not have** online learning modules to support Co-op Education

Welcome to the S.E.L.F.

S.E.L.F. (Sheridan Experiential Learning Forum) is an online, concurrent program with resource materials and deliverables requiring private submissions to your co-op advisor as well as public discussion post to your class.

The goal of this course is to increase professionalism and interpersonal awareness while providing ongoing supports to students while they are on a work term. The 9 module program hosted on SLATE and will be truly experiential and reflective.

Calendar

Monday, May 12, 2014

Upcoming events

Welcome to your Co-op Work Term Course

Posted Apr 28, 2014 1:00 PM

Questions?

I would prefer to address questions within the online Discussion section of this course. If you have questions about the course, co-op or work place - chances are that your classmates have the same question.

However, if you have a very personal question you can contact me @ 905-845-9430 X 2283 or jenny.peach@sheridancollege.ca

Overview

- Sheridan Experiential Learning Forum (S.E.L.F.)
- Online work term curriculum with deliverables
- **Goal:** to increase professionalism and interpersonal awareness while providing ongoing supports to students
- Private and public submissions
- 9 modules
- synchronous chat rooms
- asynchronous discussion forums and email
- **Outcome:** encourage reflection-in-action during a work term

BRIDGING THE GAP

S.E.L.F.

Future:

- Challenges - resources and time needed for instructors to provide regular and meaningful feedback over the course of a work term
- Expertise in curriculum design, instructional technology and educational practice
- Reflective practice must be taught prior
- Formal structure for reflection during the work term

BRIDGING THE GAP

Career Management 101

CAREER MANAGEMENT 101

This course is designed to provide you the information and skills to prepare for you to manage your career--from securing a role to building your career. Consisting of a variety of modules, you will have the opportunity to explore content in a number of areas and complete assigned tasks for each module giving you hands-on experience in each of the subject areas.

Skills Assessment Evaluate what you've got to offer an employer		
Developing Resumes Create a great marketing tool		

BRIDGING THE GAP

Career Management 101

Overview

- **Goal**: Career Management 101 designed to delivery career education at a distance
- Responding to the time restrictions and location demands of students
- A self-guided modular program providing overviews & accompanying tasks to compliments our face-to-face delivery
- “Application” portion currently linked to Optimal Resume™, which includes 9 modules

BRIDGING THE GAP

Career Management 101

Future:

- Our intention is to partner with our Co-Curricular CR program
- Completion of all modules will result in a certificate of completion
- Access will require a Sheridan log in ~currently open to the public on our Career Centre website
- Additional topic modules to be added, as well as video clips

BRIDGING THE GAP

Summary

- Reflective practice allows students to be engaged in their learning
- A distance module that requires work throughout the work-term keeps the learning current
- On-line program delivery allows us to meet students' "real-time" need
- Accessibility to services enhanced through blended delivery
