About the Canadian Association of Career Educators and Employers

The Canadian Association of Career Educators and Employers (CACEE) is a National non-profit partnership of employers and career educators. Our Mission is to provide professional networking and development opportunities, information, advice, and other services to recruitment and career services professionals.

CACEE is a growing, vibrant organization implementing new technology, sharing resources, and linking professionals with similar interests. We also recognize the importance of partnerships and through these relationships with other organizations, associations, and individuals, we have shown that we can accomplish more together than as an individual.

About the 2019 CACEE National Conference: Influencers and Disruptors: Innovating the Post-Secondary to Career Transition

With a rapidly evolving labour market requiring increasingly diverse employability skills, this conference will help educators and employers find ways to innovate best practices while leveraging student competencies into strategic employment outcomes.

We invite you to join us for an exciting learning and networking experience at the **CACEE National Conference in Halifax, Nova Scotia** from May 26 to 29, 2019. The Conference will bring employers together with career educators from Canada's post-secondary colleges and universities in our collaborative efforts to prepare students and launch their careers.

With a line-up of accomplished keynote speakers and a variety of breakout and roundtable sessions, you won't want to miss this opportunity to connect and engage with the 200+ anticipated delegates and partners. Keynote speaker details will be confirmed by February.

There are also lots of **networking and optional social events** planned...from an opening President's Dinner to Networking Suites, to Tuesday evening's social event to be held at the iconic harbor front Murphy's on the Water restaurant.

Halifax Regional Municipality is the capital of Nova Scotia and has a vibrant and diverse population of over 400,000 people. Halifax provides a wonderful backdrop for professional conferences with a mix of urban culture surrounded by natural beauty in the province known as Canada's Ocean Playground.

We hope you'll **join us as a sponsorship for the 2019 CACEE Conference!** If you have any questions, please connect with us at conference@cacee.com.
