Nomination Overview:

Supporting diversity, equity, and inclusion

The Smith School of Business is committed to recruiting processes that support diversity, equity, and inclusion. While building your brand on campus, consider ways that you can foster meaningful engagement with a variety of student groups. This page will provide you with some best practices to consider when recruiting at Smith and a list of the main student diversity groups. Please connect with your Relationship Manager to determine how to develop a diversity strategy as part of your engagement with Smith.
