## Giving you more to get ahead

Join us at the 5<sup>th</sup> annual [2015 Women in Leadership and Business Conference](#) on March 30 and March 31, 2015, for a national, interactive learning and development event for leaders, managers and emerging leaders. This conference offers 12 speakers and workshops from business leaders, experts, coaches, trainers and award-winning authors on topics that support your professional and personal development. Strengthen your leadership skills, have greater influence and impact in your role and team, market your skills and your business, be heard in meetings, get noticed by clients, peers and your industry, gain valuable influencing skills, grow your business and market share by differentiating and increase your likelihood for promotion.

The 200+ delegates at this conference are made up of 80% senior corporate executives and 20% established entrepreneurs representing many of Canada's leading companies and organizations. This high caliber group of delegates hold positions ranging from CEO to Vice Presidents, Directors, Owners and Partners from industries including finance, education, health care, media, marketing, communications, technology, consumer goods and services, government and manufacturing.
