The CAFCE Board of Directors welcomes you to join us for an educational PD event.

Featured PD, Embracing Diversity: Sharing Best Practices

Diversity encompasses acceptance and respect with an understanding that each individual is unique. These differences can be along the dimensions of race, ethnicity, gender, sexual orientation, socio-economic status, age, physical abilities, religious beliefs, political beliefs, or other ideologies. By understanding each other we move beyond simple tolerance to embracing and celebrating the rich dimensions of diversity contained within each individual. A panel discussion representing student, employer and University perspectives will ensure you leave the session with great ideas to think about once you are back in your office.

Moussa Magassa, Human Rights – Education, Equity & Human Rights Office, University of Victoria
Grace Wong-Sneddon, Adviser to the Provost on Equity & Diversity, University of Victoria
